What A Year!

We can't believe it is time to wind down and finish another school year. It seems like we just got started! It has been a very busy year with lots of exciting happenings. In addition to our classroom activities, the children enjoyed time with Mrs. Kim for Music and Creative Movement playing different instruments and learning some new games. Pastor Dave treated the children to wonderful stories and songs about God's love during Chapel. We all got to see the hard work pay off at the Christmas program, and we're looking forward to what all the kids have in store for us at our Year End/Graduation Program! We made it through the winter, and spring is here to stay! The children also participated in many fun field trips. Donuts with Dad and Muffins with Mom are always a highlight of the year - the children get so excited about making a gift and having you spend time with them in school. Thank you to all our parents who have helped make our year

a success- your willingness to help by providing snacks, making us play-dough, attending field trips and being available to help out in the classroom allows things to run much smoother. A final thanks to all our teachers for all their hard work. I think I can speak for everyone in saying we have enjoyed working with your children and watching them grow and develop. You are blessed with special gifts from God and we thank you for sharing those gifts with us.

Evaluation Forms

Thank you in advance for returning our evaluation forms. They will be sent home in the next week, and we hope you will take a few minutes to jot down your thoughts regarding our program. We really do take these into account as we make plans for the upcoming year.

End of Year/Graduation Program

Once again we are including our 2, 3 & 4 yr. old classes in an End of Year/Graduation Program to be held on Thursday, May 25th at 9:00am in the sanctuary. Please have your child here by 8:45am. Our last full day of classes will be on Wednesday, May 24, and there will be no lunch bunch on this day.
