What A Year!

We can't believe it is time to wind down and finish another school year. It seems like we just got started! It has been a very busy year with lots of fun happenings. In addition to our classroom activities, the children enjoyed time with Mrs. Candace for Music & Creative Movement. Pastor Dave treated them to wonderful stories and songs about God's love during Chapel. The 3's & 4's had library time with Mrs. Diana throughout the year. We had three days of lunch bunch for those who wanted to participate, and Soccer Shots and Little Leapers for after-school activities. We made it through the winter, and spring is here to stay - maybe? Donuts with Dad/Grownup and Muffins with Mom/In the Morning are always a highlight of the year - the children get so excited about making a gift and having you spend time with them in school. Thank you to all our parents who have helped make our year a success- your willingness to help by providing snacks, making us play-

dough, and being available to help out in the classroom allows things to run smoothly. A final thanks to all our teachers for all their hard work. I think I can speak for everyone by saying we have enjoyed working with your children and watching them grow and develop. You are blessed with special gifts from God, and we thank you for sharing those gifts with us.

Evaluation Forms

Thank you in advance for returning our evaluation forms. They have been sent home in the children's folders, and we hope you will take a few minutes to jot down your thoughts regarding our program. Please think about all aspects of the program when making your comments - daily format, curriculum, relationships with teachers and other staff, facility, etc. We really do take these into account as we make plans for the upcoming year.

Graduation Program

The 3 & 4 yr. old class will be participating in our End of Year/Graduation Program which will be held on Thursday, May 25th at 9:00am in the sanctuary. Please have your child here by 8:45am. Our last full day of classes will be on Wednesday, May 24th

Fall Openings

We still have a few openings in some of our classes and we would love to be full before summer starts. Let your neighbors, friends, newcomers to town etc. know about our program. Tours can be arranged by calling the office at 982-2254. We love to show off our school!

Don't forget, you get a \$25 referral fee that can be used toward tuition.

Reminders

Sandals - As the weather gets warmer again many of the children wear sandals to school. We ask that you please send your children to school in sneakers or closed toe shoes for both safety and comfort reasons - many of the children do not like to play in the mulch and sand on the playground with sandals on.

Potty training - just a reminder to our 2 and 3 yr. old parents that the summer is the perfect time to work on potty-training - we do not require the children to be potty trained for the 3 yr. old class, but it certainly makes our job easier when they are!

Updating addresses - just a reminder to update your address with the preschool office if you have moved or are planning on moving this summer to be sure the summer mailings get to you properly.
